

MESKER

SLIDE LOCK DOOR

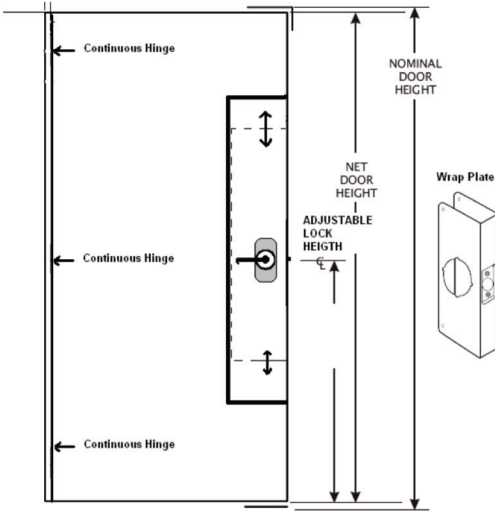

Featuring an adjustable Lock plate and a geared continuous hinge which allows it to replace 99% of the commercial doors in use today. The Mesker Slide Lock Door is your universal commercial door replacement solution.

Installing the Mesker Slide Lock Door is as easy as 1,2,3!

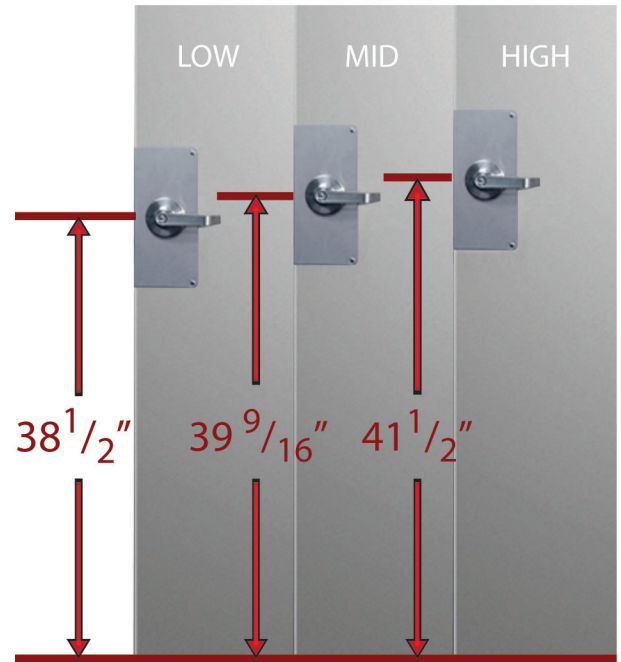

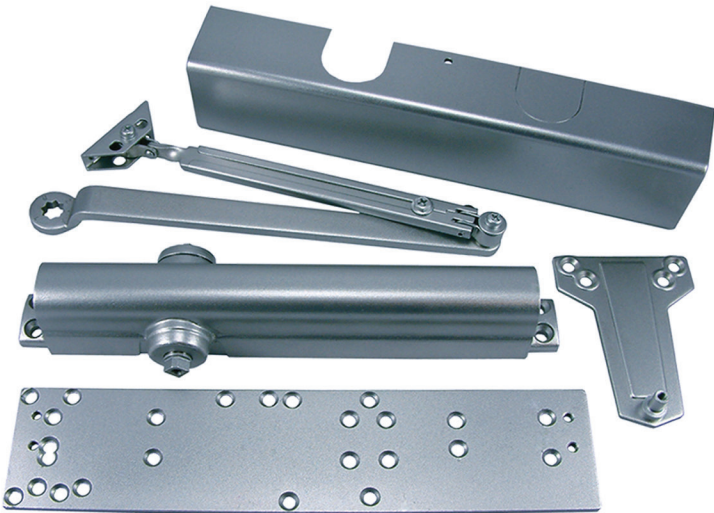

The Replacement Door covers strike locations ranging from 38 1/2" to 41 1/2" ... covering close to 100% of all possible strike locations

Here's the engineering and a schematic of the components that come into play to make this all possible ...
