# THE NEW STANDARD SOLID CORE DOORS

We are on a mission to put solid core doors in every home. Made of solid material all the way through, they feel more substantial and block sound more effectively. For minimal cost, solid core doors create a dramatic improvement in overall quality.

- ▶ Solid core doors are **SOUND REDUCING** they block sound more efficiently than hollow doors.
- ▶ Solid core doors are simply built better with a strength you can **FEEL** the moment you open the door.
- ▶ Solid core doors are **DURABLE**, able to withstand the dents and dings of normal wear.
