

Opening the Door

We're dedicated to keeping you up to date on the latest products, innovations and services provided by BWI Distribution by Masonite. This month features the return of a popular Vista Grande style, Endura Panolock and a replaceable deck sill.

Baby, Come Back

Announcing the return of the 3/0 x 6/8 VistaGrande Smooth 3/4 lite and matching sidelites. Inventory will be building over the next few months. Check with your BWI Rep for specific availability.

Easy like 1, 2, 3, 4

The Replaceable Deck Sill™ [RDS] is the sill of the future, enabling replacement of a discolored or damaged sill deck without removing the sill or the entire door unit. Easy as four steps!

Did you know? BWI also stocks bronze sills with black sill caps for a higher end look and better color match on doors with dark finishes. Coordinate the look with black mullpost boots and black sidelite seats.

Matching Paint Made Easy

BWI is partnered with Sherwin Williams so matching paint for trim, shutters, other components, and custom colors can be as easy as a trip to any Sherwin Williams store.

Save time and guarantee your warranty by taking advantage of the [BWI Pre-finish program](#)! With 40 colors to choose from in our standard palette, you can truly transform a door into a statement piece.

We're committed to being a partner you can count on to bring you products that turn heads, perform brilliantly and give you the support you need to grow your business.

Have a question for our pros, or a door project you are proud of and want to share? Submit to marketing@bwi-distribution.com and we may feature it here!
