MASONITE  
DOORS THAT DO MORE

We're dedicated to keeping you up to date on the latest products, innovations and services provided by BWI Distribution by Masonite. This month features the DuraStyle™ Exterior Wood Door, Louvered Doors in stock and BWI Interior Door offering.

## The Clear Difference

Confidently sell solid wood exterior doors with DuraStyle™. All DuraStyle doors include AquaSeal™, a proprietary technology that provides a barrier of pure protection against water, moisture and the elements.

## 7th Heaven

Louvered doors are a perfect option when you want to conceal a space or add a divider while maintaining air flow or light. BWI stocks **7' Louvered Doors** (primed) in widths from 1/6 to 3/0.

## Strong & Beautiful

Stile and Rail doors provide both quality and beauty. They're often a good choice when you're trying to achieve historical authenticity. More importantly, however, they provide a strong, long lasting door option for any style preference.

*Did you know?* BWI stocks numerous sizes and styles of Masonite Interior Doors including primed Stile and Rail.

### Before & After: Masonite Fiberglass Doors

Exterior fiberglass doors aren't just for homes anymore! The United Fellowship Baptist Church in NJ recently got a much needed facelift thanks to brand new **Masonite Belleville fiberglass doors** with **Tanglewood privacy glass**. These new doors replaced decades old painted doors which had succumbed to moisture and other damage attributed to high traffic areas. Easy to maintain and providing lasting beauty, the members of United Fellowship Baptist Church will have a reliable entry that will be a focal point when approaching the building for years to come.

Thanks to Monmouth Millwork for sharing this project with us!
