

Frame Upgrade Promotion

Boost your sales and take advantage of a no-charge frame upgrade when you order a Masonite® exterior door unit from BWI

Orders placed with one of the frame options below will receive a discount equal to the cost of the FrameSaver option. Please consult with your BWI Sales Representative for additional details.

Select from the following options:

Composite Frame

Benefits

- Offers superior protection against rot
- Won't crack, split, or warp due to humidity or moisture
- Low-maintenance
- Easy to install

Full composite textured frames available in Mahogany, Fir, and Oak.

FusionFrame

Benefits

- Offers superior protection against rot
- Strength of wood and durability of composite
- Easy installation process, no exposed fasteners to fill

FusionFrame smooth frames available in Smooth White (paintable).

*Valid from September 26 through December 31, 2022 or while supplies last
