

Opening the Door

We're dedicated to keeping you up to date on the latest products, innovations and services provided by BWI Distribution by Masonite. This month features the solid core doors, fat boy mulls, eMerge reminder, and upcoming 2023 trade shows.

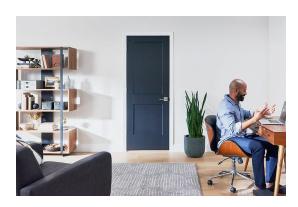

Solid Core Doors

A Sound Decision.

Designed with 70% more sound dampening material than our standard hollow core doors.

These interior doors have quality you can feel and are built to handle life's bumps and bruises.

Mull it Over

Did you know that BWI uses fat boy mull posts on all exterior Sidelite units? Fat boys are 1/2" wider than our competitors mulls at 2-1/2" wide, and add strength and stability to our units. Go ahead. Install a hinged patio, single and/or double Sidelite system without fear.

Reminder: eMerge Promotion ending this month!

Place your orders through eMerge now through December 15th and earn a gift card at the end of the promo period.

You'll earn \$25 for every \$2500 in orders placed with BWI through eMerge.

Eligible users on eMerge only. Gift card will be issued at the end of the promotional period. Reward is capped at \$575/person.
