The Mconnect Experience

You're a Masonite Valued Partner (MVP) – and that comes with perks.

So, we created Mconnect, a free online portal specifically for dealers to help you enhance customer experience and drive revenue.

Be Bold.

Want to know what's in for 2023? Bold colors, and that includes bold colored doors. You're going to see them everywhere. Barbiecore is one trend blowing up on social media and we're talking about a **PINK** color palette.

If you're not ready to paint a whole room pink, try subtle pink interior or exterior door to give a burst of color!

[Read more about this trend](#)

We're committed to being a partner you can count on to bring you products that turn heads, perform brilliantly and give you the support you need to grow your business.

Do you have a question for our pros, or a door project you are proud of and want to share?

Submit to marketing@bwi-distribution.com and we may feature it here!
