Worried about rainy weather?

Masonite Performance Door System

Spring is around the corner, which means warmer weather, but also April showers. But don't stress about rain seeping through your front door with Masonite Performance Door System. It's 64% better at keeping water and air out than the leading competitor.

Knowledge Corner: Safety First

Consumers are looking for safer and more secure homes for themselves and their families. Check out these fascinating statistics:

Every 26 seconds a home is burglarized.

Home security has emerged as the key driver in smart home adoption.

Smart Home products increase the perceived value of a home and homeowners are willing to pay more.

There are some easy ways to improve home security, like with proper lighting and security cameras. You can find some of those features with *M-Pwr*™ Smart Doors.
